So if you have that older game console, European VCR, or other PAL enabled device, don't waste time, and convert it easily with this PAL to NTSC converting box by MayFlash.. Request a callbackYour time is far too valuable to be waiting on the phone, plus, who likes to get transferred only to have to explain the issue again? If you leave your info and details about your request, we will get the right person to call you back as soon as we can.. Other: Good Handy Pal to NTSC Converter Was this review helpful?
